The Boy and the Book

"One of the greatest tragedles in the life of a human being," he said.
"is to be denied the pleasure, the benefit and the cuture to be derived from the perusal and study of good.

That a good book in proper hands a good book i

can call his own. He should, in a Curtis entered into a series of recure a common control of library work as a type of social books, e. g. of a number of good books let him take the one he wants. It may not be the best of the lot but he will enjoy more the reading of it. He may choose "Treasure Island' in preference to "Pilgrim's Progress." Perhaps the next will be 'Robinson Crusoe' when it might have been the subject of a paper by Edith Kath-

Scrubbing is hard work and it will de-

stroy the surface of most varnished floors. We recommend the easier and more prac-

tical method of preserving the natural beauty of wood floors with

MARBLE FLOOR FINISH

To clean you simply

apply a little Devoe Polishing Oil according to simple directions. Devoe

Marble Floor Finish water-proofs the wood

and enables it to with-

stand the severest wear

and tear without marring.

In clear, dry weather it will dry in 24 hours.

Of our many custom-

ers who have used Devoe Marble Floor Finish, all

report satisfaction. We'll

guarantee that you'll be

pleased with this easy-

to-clean, long-lasting floor varnish.

easy to clean

INDIANAPOLIS, May 13—Children and their relation to books formed an important part of the program of address today at the meetformed an important part of the program of address today at the meeting of the National Conference of Charities and Correction.

"The Boy and the Book," was the subject of a paper by W. L. Kuser, superintendent of the Industrial School for Boys, Eldorado, In.

"One of the greatest tragedles in "One of the greatest tragedles in "Florence R. Curtis, associate, Utilization of Illinois Library School, versity of Illinois Library School,

from the perusal and study of good books. Many a young chap realizes his needs and appreciates the value of the systematic use of good books but we have done so little to show him teh way to use these 'golden vessels of the temple' which contain 'all that mankind has done, thought, gained or been.'

"Every boy should have his own library case or at least a shelf of the general home libray which he can call his own. He should, in a Curtis entered into a series of rec-

the subject of a paper by Edith Kath-leen Jones, librarian, McLean hos-pital, Waverly, Mass. Among other things she said:

"What constitutes a library? Not a mass of books lying idle on the Not even a well selected. classified and catalogued collection of books left to itself. A library is never finished; If it is, it is dead; it must be vital and progressive to be

prisons and reform schools should have their own libraries and develop individual libraries and develop-individual libraries. State institu-tions perhaps cannot afford extra salarles for this. Iowa, Minnesota and Nebraska have worked out solu-tions of this problem—they have state institution library supervisors, appointed by the state based of conappointed by the state board of con-trol in the first two cases, and by the state library commission in Nebras-

D Frank Garland, director, partment of public welfare, Dayton, O., read a paper on "The Municipal-ity and Public Welfare," saying in

our American life is now assured. The public is demanding that the government realize that it is the business of government, as the preamble of the national constitution clearly states, to promote the general welfare. It is under this view of the broad purpose of government that it has now come to be clearly regard-ed as the duty of the nation, of the state and of the city to concern itself state and of the city to concern itself with the special problems of human life, of community efficiency and betterment, just as much as it is the duty of one of these government agencies to concern itself with the special problems of human life, of community efficiency and betterment, just as much as it is the duty the species of the of one of these government agencies to concern itself with the question of tariffs, foreign relations commercial

trade and police protection.

"Dayton has undertaken in the organization of the department of public welfare, to give expression to this new conception of the duty of the state to all its citizens. Under the new commission manager plan the new commission manager plan of government, the Dayton charter has made provision for the organiza-tion of perhaps the broadest and most far-reaching department of public welfare ever laid down for a city in America. Under the present outline, the department of public welfare includes in the scope of its activity, seven divisions; public health, recreation, parks, correction and reformatory institutions. and reformatory institutions, outdoor public relief, legal aid and mu-nicipal employment. The salaried force of employes covering the work of this department numbers seventy-

UMBRELLAS

Are Classed by United States

Marine Corps as Feminine

NEW YORK, May 13 .- Come to think

of it now, did you ever see a United States marine in uniform carrying an

Brooklyn, caught a glimpse of a marine recruit carrying a contraband "bumbershoot" during a rainstorm, but

the glimpse was nothing more than

broke it up before his horrified gaze, paying not the slightest heed to his

plea of having purchased the thing but ten minutes before. Then the older marines gave the recruit a severe lec-

ture on military proprieties and left

ilm alone to ponder.

There is no service regulation to

prevent the carrying of umbrellas by

uniformed men, but there is an un-written law of the marine corps which

classifies the umbrella as a piece of

feminine finery, and its use is tabooed with older heads who know the ropes.

At the present time the United States produces more than half of the total copper output of the world.

LUTHER HAYMOND.

125 Hartland avenue, Stenley Heights.

I am a candidate for the office of Justice of the Peace for Clark district, Harrison county, subject to the Republican primary election June 6, 1916. Your help on that day will be appreciated.

L. G. LOCKWOOD. 324 Parrill Court.

By the earnest request of many friends I have decided to be a candidate for Justice of the Pence for Clark district, located in Industrial and Union Heights, as we have three voting places and never have had an officer elected out hers. I have served six years as Justice of the Peace in Barbour county, before I came here, and am a Notary Public teday. I have had a great deal of experience in law. We do ask the voters to give us an officer out here to help to guard us and to help to protect our interests as citizens. Let us divide the offices so not to have them all in town.

Industrial, East Clarksburg, W. Va.

I am a candidate for the Republican nomination for Justice of the Peace for Clark district, subject to the primary elec-tion, June 6, 1916, and respectfully solicit your support. A. M. DONOHUE.
